

CMC Seminar

Critical Materials Council Seminar

November 9, 2016
Shanghai, China

“Semiconductor Materials Challenges In and Out of China”

Wednesday, November 9, 2016

Agenda

8:00 AM Registration

9:00 AM Opening Welcome by Angela Franklin of Qorvo

9:15 AM Keynote Presentation :

“Supply Chain Challenges for Fabs & Material Suppliers in China”

by Joel Strupp*, Worldwide Procurement & Logistics (WPL) Chemical/Gas/CMP
Procurement Team - Texas Instruments*

Session 1: China Materials Supply Landscape and Logistics

9:45 AM Ingrid Shi, Secretary General, The Integrated Circuit Materials Industry Technology
Innovative Alliance (ICMITIA)

- The China Materials Supply Consortium and China's 5 Year Technology Plan

10:15 AM Honggen Peng, Logistics Manager, Air Liquide*

- Logistics Supply Chain Challenges

10:45 AM *Break – Sponsored by AUECC*

Session 2: Semiconductor Wafer Market Challenges & China

11:05 AM Mike Walden, Director & Sr. Market Analyst, TECHCET

- WW Silicon Wafer Market Status and Outlook

11:35 AM Dr. Richard Chang, CEO, Zing Semiconductor

- 300mm Wafer Development and Manufacturing in China

12:05 PM Lunch – Sponsored by Cryoin

Our sponsors:

Wednesday, November 9, 2016 – Afternoon Sessions CMC Seminar 2016, Shanghai

Session 3: Materials Challenges, Quality & Regulations

- 1:15 PM Daniel Wu, Purchasing Manager, Intel Semiconductors, Dalian F68*
- Semiconductor Material Challenges in China
- 1:45 PM Berry Tseng, Director, Product Quality, Air Liquide
- Managing Supplier Quality in Asia/China
- 2:15 PM Eric Xiong, Director, Industrial Chemical Sector, CIRS*
- China REACH and Associated Regulations
- 2:45 PM *Break - Sponsored by the TECHCET / CMC*

Session 4: Semiconductor Market Overview & Panel Discussion

- 3:05PM John West, Managing Director, VLSI Research
- Equipment Consumables Components Company Perspective
- 3:45 PM Lita Shon-Roy, President, TECHCET
- China's Impact on the WW Materials Supply Chain
- 4:15 PM Panel Discussion: Mr. Xu Xiaotian, Executive Vice Chairman of CSIA will be participating in Panel Discussion. Other Panel speakers are indicated above by *
- Logistics and Customs Constraints
 - Sustainability and Environmental Responsibility in China
 - China Government Funding for Non-Chinese Companies

5:00-7:00 PM Reception (food & drink) – Sponsored by Peric/718 & TECHCET

The 2016 CMC Seminar Organizing Committee:

Ed Korczynski, Director of Marketing, TECHCET

Mike Walden, Director of Business Development, TECHCET

Lita Shon-Roy, President, TECHCET

With Guidance from the Critical Materials Council: CMCFabs*

** Cypress, GlobalFoundries, Infineon, Intel, Micron, NXP, Qorvo, Samsung, Sematech, Texas Instruments, TowerJazzPanasonic ... and more*

Save the Date - CMC Conference 2017 - May 11 &12 in Dallas Texas

Interested in CMC Membership? Or participating in Our Next Conference or Seminar?

Please contact cmcinfo@TECHCET.com or go to www.cmcfabs.org

Thank You for Attending the 2016 Critical Materials Council Seminar!
