

Electronics Materials Information

# **Critical Materials Report on Photoresist and Ancillaries**

## **Market Trends and Statistics**

By Techcet CA, LLC.  
G.B. Elder, Ph.D.  
March 2014

# Report Outline

	Page #
▶ Executive Summary .....	5
▶ ITRS Lithography Roadmap.....	9
◦ Flash - SADP	
◦ MPU/DRA – 193nm Immersion Multiple Patterning	
▶ ITRS Resist Roadmap.....	12
▶ Resist and Ancillaries Market, Pricing and Shares .....	16
▶ Market Disruption – EUV.....	39
▶ Resist Trends to Watch.....	42
▶ Summary and Assessment.....	47

# Figures List

1. ITRS Roadmap for Lithography
2. ITRS Roadmap for Photoresist
3. Wafer Start Growth
4. Resist Growth (volume)
5. Resist Revenue Forecast and History
6. Resist Market by Type (pie chart)
7. Resist Supplier Market Share
8. Strippers Revenue Forecast and History
9. Stripper Supplier Market Share
10. ARCs Revenue Forecast and History
11. ARCs Supplier Market Share
12. Developers Revenue Forecast and History
13. EUV Roadmap
14. Directed Self Assembly SEMs
15. Photo condensed metal oxides for patterning
